Connecting as a Constellation in Action

Sourcing Our Oneness

Nainital Camp 2-8 October 2016

This is an invitation to Aurovilians and Members of Auroville International, to Members of Sri Aurobindo Ashram, Sri Aurobindo Ashram Delhi Branch, Sri Aurobindo Society, The Golden Chain Fraternity, World Union, Sri Aurobindo's Action and SACAR, to join together for seven days in Nainital 2nd to 8th October 2016.

Together we will explore the practical application of the Integral yoga in daily life, both on an individual and collective level. How we can actively collaborate for the fulfillment of the aims and ideals of Sri Aurobindo and The Mother, in our own lives, in our societies and in India and the world. We will use the 12 qualities of the Mothers symbol as practical tools to explore the fields of society as represented by the Matrimandir gardens of Life, Power, Wealth and Utility. This exploration has an integral approach and will include lectures, workshops, body movement, yoga and pranayama, music and art, as well as nature walks in the beautiful area. There will also be space for spontaneous interaction and expression.

The aim is to work towards a synergistic connection; a constellation in action where every entity is a star, has its own energy and light, self-organizing, independent and interdependent and in resonance with the other entities. In this way we would all work together for the Action of Sri Aurobindo and the Mother, actively collaborating with the manifestation and realization of their vision in India and the World.

Accommodation and food will be provided free of cost for the 7 days, however donations are welcome towards upkeep of the camp. Participants have to organize their own transport to Nainital. Detailed information will be sent out with the confirmation and camp acceptance letter.
